

CANCER PREVENTION TRAVEL GRANTS

for young scientists

CALL FOR APPLICATIONS FOR TRAVEL GRANTS FOR INTERNATIONAL STUDENTS FOR THE YEAR 2027

ECP announces a call for grants for young researchers

The European Cancer Prevention organization (ECP) is extremely pleased to announce the assignment of **one** travel grants for 2026, intended to support young researchers on oncological topics who need to travel to national or international conference of course and to research visit, in order to expand their expertise.

Application procedure

Instructions for applying to participate in the selection and online application form can be found in the "Travel Grants" section on ECP website (www.ecpo.org), to be sent within the specified period.

The deadline for applications is January 31st, 2027.

Value of Awards

The amount of each scholarship is set at € 1,000.00. ECP will refund the amount after receiving receipts from winner young scientists. Additionally, they will receive an award certificate. ECP staff will request a photo of the grant winner to be posted on ECP website.

Eligibility

Travel grants will be made available for active scientists with a maximum of 5 years postgraduate that intend to choose a career in cancer prevention. The purpose of the travel is to enlarge knowledge from established research centers, to initiate multicenter projects, or to present data at international cancer or life sciences conferences.

More info can be obtained from **dr. Francesca Magnoni** and **Prof. Koen Kas**, responsible for the Travel Grants program of ECP.
